

THE JAN HENRICK ACHIEVEMENT AWARD

What a year so far! I never could have imagined a situation like we are currently encountering. For (16) years the Jan Henrick Achievement Award was like clockwork. This year, 2020 is what the JHAA is all about; overcoming whatever obstacles that come our way. Understandably, the golf tournament is cancelled, the dinner banquet is cancelled, and the parents won't be around to see their sons and daughters being recognized for achieving greatness when dealing with adversity. Sure no one is happy about all this. So what can be done to make some of this negativity go away?

I am proposing to each school (Pasco, Wharton & Plant City) that they choose (12) students from each school who exemplify what it takes to succeed in school. The JHAA will recognize each student with a certificate and \$300.00 each. A small presentation at each school (masks & social distancing) and some individual pictures taken for our newsletter. Our goal this year is to hopefully remind students that no matter what they are dealing with, there is always someone watching and ready to help in any way they can.

For the holidays, please be aware that any acts of kindness will be greatly appreciated, especially after the year we have had. All students at every level have been challenged beyond anything we all have experienced. Remember that money helps with financial needs, but an open heart that allows love to flow to those around us will last forever.
Happy Holidays.

Kevin

Thank you so much for having awards like this. It is very amazing to know someone recognized my change in moods and school habits. Since I had my daughter, I've realized I need to succeed for her. Her Daddy graduated, and now it's my turn. I was so nervous to go to the award dinner, but my parents pushed me to go. I'm so thankful I did now! It was so much fun. I wish we could have met Jan, she seems to be a sweet person, and as from what I heard about her She enjoyed some of the same things as I do. This award has given me so much confidence and is pushing me to graduate. My Science Teacher nominated me. I got into her class last year when I was 5 ½ month's pregnant. I skipped all the time, barely even went to school and wasted all high school away. I'm now a Senior and getting my high school years done so I can move on to my RN Classes. Thank you so much again. I'm very blessed.

Madison Gilmore, Class of 2020. Pasco High School.

Thank you for the nice evening and the cash prize because it really showed my actions are not going unseen and the things that were talked about were encouraging. Once again, Thanks.
Brittany Jemigan.

An incredible feeling to receive an award for the first time and to attend the event. I never would have imagine receiving an award such as this one. This has certainly motivated me to give my best effort and to help others along the way.

A sincere thank you, Billy Garcia

Thank you very much for the special award and the generous gift. I'm very sorry to have missed the Banquet, and the reason I missed it was because of a family emergency.

Sincerely, Eric Lopez.

I Blanca P. Limas, would first like to say thank you so much for the surprise. I was so shocked, but very grateful and happy that people are noticing my hard work. I will continue to work my hardest so I'm able to be something great.

Thank you.

To the Jan Henrick Organization, I would like to thank you all for a great experience. I had a great time and would like to attend again next year.

Sincerely, Amir Burgess.

Thank you so much for our recognition of my turn around. I appreciate the dinner and the gift card. It really meant a lot.

First, I want to say thank you for allowing me to receive your award. When I was told that I had won, I was very excited because I have never won an award before. Then when I found out what it was for, I was even happier. You see, I have been trying to make this year better academically than last year and I have accomplished a goal of mine that I have been wanting to do for years and your award has made me want to continue to work hard. I feel that your foundation will continue to influence kids like me and make them feel like they can achieve something. So, thank you for the award and for giving kids like me hope for the future.

To Whom It May Concern, My name is Albert Grass and I am a 2019 Jan Henrick Achievement Award recipient. I would like to express my deepest gratitude. Too often achievements made by students like myself are overlooked for their apparent mediocrity compared to others; however, those who overlook us fail to recognize the fact that we have few resources compared to others. I taught myself the violin. After convincing my seventh grade orchestra teacher to lend me the instrument and waive the fee, I remember seemingly endless hours of repeating scales, positioning my hands and body to mimic the diagrams in my book, and watching YouTube videos to learn proper wrist and bow technique. Now, I have started teaching others. I attend a school where many students have a love for music but, like myself, lack the resources to learn. With my teacher's guidance, I tutor students and run section groups to help the entire orchestra. Due to this effort, I was elected Vice President of Wharton High School's orchestra program. Through this award, I will be able to purchase private lessons which I have never been able to afford and which will allow me to further my abilities. I would like to thank you for recognizing how far we have come with the little we have, and for giving us the resources to continue on our journey of uplifting ourselves, our family, and our community. The Jan Henrick Achievement Award is a true honor, and I hope I will be able to live up to it and spread its message through my work in life. Sincerely,

Albert Grass Wharton High School Class of 2020

To the Jan Henrick Foundation, thank you so much for giving me this award and believing in me. This award means a lot to me because it made my mom proud of me and showed me that my hard work is paying off. I was able to use some of the funds for a small treat for myself. Thank you again for believing in me and motivating me to keep progressing in life.

Sincerely, Shyea Sanchez

The banquet dinner definitely made me feel proud of my own academic success, and to be a part of this amazing award was an absolute honor. I want to start by saying thank you to the Jan Henrick Foundation. It was more than an honor and blessing to even be a part of this beautiful foundation. This award made me feel very proud of myself and made me feel like I have accomplished something and ever since then I think I feel more confident and feel like I can conquer anything. I also feel like I am progressing in school and in life. If I had the chance, I would always want to be a part of a wonderful foundation such as the Jan Henrick Foundation. I know my mother is smiling down just as proud of me as I am of myself. Thank you for this amazing experience. – Destini Anderson

I want to say thank you for giving me the opportunity. This award made me want to continue to work hard and achieve my goals. I have been working on my behavior and class grades. I am so happy my efforts were noticed. Thank you so much

Thank you for selecting me for the Jan Henrick award. I am using the money to pay for my college applications so that I may become a firefighter. I want to make a difference in the world like you did in mine. I would also like to thank you for carrying on this legacy for your wife. It is such a beautiful thing to do. I am proud of the plaque that has my name engraved on it. Now everyone at my school will know that I received the Jan Henrick Achievement Award. Thank you so much.

THE JAN HENRICK ACHIEVEMENT AWARD

PO Box 944 Dade City, FL 33526-0944

Just before Christmas 2002, Jan and I had discussed what we could do that would bring hope and happiness to someone for the holidays. Having retired from the school system, Jan wanted to give something back to the school. We enlisted the support of Wharton High School and Plant City High School and agreed that 12 students from each school, chosen by faculty members for having turned their lives around in some way (i.e., better grades, attendance, overall positive attitude, etc.) would each receive \$150 to spend as they wished. Over the years, this award has increased to \$300.00 In 2011 we added Pasco High School in Dade City.
